Hi Alison & Deb,

I would be very interested in being reappointed for the PARC! Thank you very much for this opportunity!

Hello Ben!

I know we had talked at our last meeting about your interest in reappointment, but we need your official word! If you could just reply to this email (to me and Deb who is copied on this email) declaring your interest in reappointment for the PARC, that would be great! The sooner you could do this the better. Thanks Ben!
